

HEAVY DUTY SKELETON BUCKET

Pick up large rocks and debris and leave the dirt behind with a Star Industries Heavy Duty Skeleton Bucket. The open ribbed bottom lets dirt and material less than 2½" in size fall through while retaining the larger materials. Perfect for landscaping and general clean up.

- ➔ Bottom Ribs ⅜" thick x 2½" tall with a 4" tall raised step to help retain material
- ➔ 2½" open space between ribs lets smaller particles filter through the bucket
- ➔ Available in popular 66", 72" and 84" widths

FEATURES

- ➔ Heavy Duty Universal-Fit Skid-Steer Quick-Tach fits all current full-size Skid-Steer Loaders
- ➔ Leading edge 1" x 8" high carbon bevelled blade with optional heavy-duty teeth
