

SKID-STEER BRUSH CUTTER

The Star Industries Skid-Steer Brush Cutter is the tough, all-terrain cutter perfect for clearing overgrowth on median strips, farm and ranch, parks and land clearing for development. The cutter is equipped with 3 versatile bi-directional blades powered by a high-torque motor and 100-hp Omni gearbox capable of powering through the toughest of terrains.

- ➔ Clears thick shrubbery and small tree regrowth with minimal effort and outstanding results
- ➔ The 5/8" bi-directional AR400 blades are powered by a high-torque motor for effortless results

FEATURES

- ➔ 3/16" deck with 3/8 AR400 reinforced sides
- ➔ High torque Parker motor
- ➔ 6" cutting capacity
- ➔ 1-year warranty (does not cover blades and hoses)
- ➔ 3 bi-directional blades
